The National Archives
Washington, D.C.

Dear Dr. Rhoads,

CD87, Secret Service Control 633, dated 12/12/63, also in the John F. Kennedy 4-1 files, on its third page lists the statements obtained by the Secret Service from the doctors listed.

I would like a copy of each of these statements and the covering memo of 12/11/63 with which they were forwarded.

Sincerely yours,

Harold Weisberg
